TREVOR KLEE,
TUTOR

Kaplan's reviews (taken from Yelp):

Their tutors are nothing less than con artists.

-Jeff B.

So unimpressed and disappointed with Kaplan.

-Jane R.

So I paid them \$1,300 to get a lower score than I could have gotten had I studied on my own....sweet.

-Kate C.

My reviews:

Trevor cares about whether his tutees are learning the material they need to know. He adapted quickly to my preferred learning/teaching style, has a strong understanding of the material, and obviously enjoys engaging with his tutees and with the material.

I'd highly recommend Trevor to any person considering the GMAT.

About Trevor Klee, Tutor

Hi, my name is Trevor Klee and I love beating tests. I've taken the GMAT, GRE, LSAT, SAT, ACT, LNAT, and ISAT, and I've scored 99th percentile in all of them under test conditions. The only thing I love more than beating tests is helping other people beat tests. After I graduated Princeton, I decided to devote myself to tutoring. In my free time, I enjoy dancing, writing, and speaking Chinese poorly.
